

# **PARKING**

## **Apartment complexes**

- There is normally only one parking available per unit
- If you share an apartment/flat ask if there is addition parking available

## **Student houses and communes**

- Not always available others have limited parking
- Ensure that a parking space is allocated to you if you need one (if available)

## **Garden flats and rooms in private houses**

- Not always available others have limited parking
- Ensure that a parking space is allocated to you if you need one (if available)
